When a community gets together!

Friday September 19th was an evening to be remembered and will surely be repeated as everyone seemed to have enjoyed it a lot. Local and international businesses and many individuals came up with amazing donation, ranging from cool surf wear to numerous sport instruction packages to upscale sunglasses and many fine dining certificates, excursions, family activities and accommodation coupons.

Cabarete's whole community met, mingled and bid on items in a relaxed and joyful ambiance. More than 120 people purchased tickets in advance and an impressive team of volunteers from all ages made this event a true success. Live music, funny, yet professional MC's, good company, perfect hosting setting (Restaurant Serenade in Villa Taina Hotel), a carefully prepared silent auction and an exciting live auction. Our most sincere thanks, again, for the amazing support of the community. It felt really right and most of all, it was fun!

HEAR and SEE a BOOK

We are working on the set up of our own production unit of recorded versions of selected favorite books. Children will be able to pick up a book from the shelves, procure the CD and the CD player with the Librarian and quietly listen to the book been read to them while following the narrator's instructions and reading. This interactive system will allow the children

that are lacking reading skills to enjoy books appropriate to their age and interests. More details to come.
