DOMINICAN REPUBLIC EDUCATION AND MENTORING

Music Program Internship

The DREAM Project is searching for a qualified musician, administrator and educator to coordinate a new music program centered around early childhood development and at-risk youth. The internship position, located in Cabarete, Dominican Republic, requires skills in both a variety of musical instruments and administrative responsibilities. The program will expose impoverished youth ages 3-18 to a structured music program that coincides with our focus on quality education.

Applicant must agree to the following conditions and possess the following qualifications:

- A minimum one year commitment starting in August 2011 to coordinating the entire DREAM Music Program, which includes curriculum, volunteers, students, community outreach, instruments and administrative duties
- Language skills in Spanish, including speaking, reading and writing
- A degree in music and/or music education
- Living and working in a third world environment

DREAM is ideally looking for a bilingual, Latino candidate who may use this experience as a Masters or Doctoral thesis subject. A close connection to an established music school, with collaborative possibilities is also desired. This is an unpaid internship that includes housing and a monthly stipend.

For more information or to apply, please email info@dominicandream.org with your resume, 3 letters of recommendation, and an essay describing your experiences in music and how they will help you in this position. Learn more about The DREAM Project at www.domicandream.org.
